

AMERICAN ACADEMY OF KINESIOLOGY AND PHYSICAL EDUCATION
Annual Report – August 2009

REPORT OF: Standing Committee on Membership

DATE OF REPORT: August 31, 2009

PREPARED BY: Jay Graves, Chair (2009)

COMMITTEE MEMBERS: Jim Bloedel (2009), David Porretta (2009), Melinda Solmon (2009), Jay Graves (2010), Judy Rink (2010), Weimo Zhu (2010), David Andrews (2011), Kathleen Haywood (2011), Maureen Weiss (2011)

DESCRIPTION OF ACTIVITIES:

A Call for Nominations for new Fellows was published in the fall 2008/winter 2009 AAKPE Newsletter (Volume 30, No. 1), a News Flash and via email. The Membership Committee convened by e-mail on February 10, 2009 and AAKPE Bylaws and Operating Codes pertinent to membership were distributed. Several questions concerning the nomination process were addressed by executive leadership.

Current Academy Fellows nominated three individuals for Active Fellow status and there were two nominations for International Fellow. The three nominations for Active Fellow is considerably less than the 18 nominations received in 2008. The committee recommended all nominees be listed on the ballot for election. Nomination forms were placed on the AAKPE website for electronic voting. All nominees were elected by the membership as Active or International Fellows and will be inducted at the upcoming Annual Meeting in San Diego, California. Dr. Michael Metzler will give the New Fellow response at the Induction Ceremony.
